The 20kW ESS Container is designed to meet the needs of diverse industries, providing a reliable and efficient energy storage solution. Its robust features and smart energy management ...

This 20" mobile container workshop is engineered for field repairs, equipment maintenance and daily operations in demanding sites. It is designed to provide efficient access to industrial ...

Conex King is a leader in shipping container innovation and solar generators and power systems. From custom off-grid and remote mobile offices, emergency shelters, climate controlled ...

A compact and configurable 20-foot container workshop designed for demanding field sites -- integrating generator, compressor, machine tools and transportability for mining, ...

Housed in a 20-foot container, this system integrates solar PV, energy storage, and advanced control components into a single unit, making it ideal for remote industries, construction sites, ...

The 8ft Mobile Solar Container by HighJoule delivers 20KW of clean energy in a compact design. Engineered for emergency response and portable energy demands, this lightweight container ...

This outdoor 20ft container ESS for large-scale commercial and industrial energy storage projects. Built-in EMS, with multiple working modes such as self-use, peak load shifting, TOU, battery ...

We deployed three LZY-MS1 folding solar panel containers at a remote mine site in Western Australia and the results exceeded our expectations. The rapid deployment was impressive.

Ideal for emergency relief centers, field hospitals, and mobile disaster command stations. Its compact 8ft size
