What is a C32 Steel Battery Cabinet?

The Certo C32 Steel Battery Cabinet from Cooper Power is a compact, high-quality enclosure designed to house 32 x 100Ah battery. Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access.

What is a C32 battery?

Ideal for small-scale UPS or inverter installations, the C32 offers a clean, professional look while providing maximum protection and easy access. Manufactured from durable, powder-coated steel, the C32 is built to ensure battery safety, ventilation, and security.

What is a battery cabinet?

A battery cabinet houses and protects the batteries that supply stored energy to a UPS system. It ensures that backup power is readily available whenever primary power is interrupted. Battery cabinets can be installed indoors or outdoors and are designed to provide secure, organized, and scalable energy storage for continuous power delivery.

What types of battery cabinets are available?

Tariff Relief. Up to 10% Protection. Battery cabinets from diverse manufacturers APC, Toshiba, CC Power, Eaton, Powerware, Mitsubishi, Narada, and Salicru. We stock new and used battery cabinets in support of our energy storage packages, ups backup systems and rental UPS. Speak to a power expert to match up with your specific requirements.

If your current battery time is too short and has to be extended, Keyitec can provide you with additional batteries and battery cabinets to meet your new requirements.
