Are Western steel storage containers a dealer?

We are proud to be a dealer for Western Steel Storage Containers! Western Steel containers are constructed using corrosion resistant galvanized steel which provides for a long, maintenance-free life. Containers are portable, collapsible, expandable, and affordable !

What is a steel storage container?

Containers are portable, collapsible, expandable, and affordable ! Keep your tools, machinery, motorcycles, and personal items protected with a steel storage container. Note: 1.5 Size and Double Size containers must be assembled at their use location.

Where can I ship a container?

Containers can be shipped anywhere in the continental US via truck freight. Option 1: We can ship to a freight terminal in major US cities where the containers can be loaded in your pickup truck or on your trailer. Option 2: We can ship directly to a business address that either has a loading dock or a forklift for unloading.

Found a lower price? Let us know. Although we can't match every price reported, we'll use your feedback to ensure that our prices remain competitive.
