What are energy storage containers?

Energy Storage containers are revolutionizing the way we store and manage energy from renewable sources such as solar and wind power. Known for their modularity and cost-effectiveness, we are at the forefront of the renewable energy storage sector, offering bespoke Battery Energy Storage containers.

Are BESS containers made in India?

BESS Containers by APPL Container are proudly Made in India under the Make in India initiative. These modular, pre-engineered containers are ideal for managing and storing electrical energy efficiently. Designed for seamless deployment across solar, wind, and backup energy systems, they ensure grid reliability and emergency readiness.
