We carry racks and enclosures from a number of manufacturers such as Simpliphi, Outback, and Midnite Solar. Shop our selection to find the one that right for your power system. Pay over time with Affirm.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

Where can I buy a battery box?

EcoDirect offers battery boxes, racks and enclosures for off-grid energy storage applications in solar PV systems. These products support the most common battery types. EcoDirect.com sells Battery Boxes Racks and Enclosures at the lowest cost. Order Online or Call Us! 888-899-3509

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.
