What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

Why should you choose Ion-line battery storage cabinets?

Dangerous: Unattended storing and charging of batteries. All-round protection: ION-LINE safety storage cabinets for your safety. Frequent, sometimes weekly accidents and countless damages prove that the unattended charging and storing of batteries, for example, overnight, poses significant risks and dangers.
