En efecto, Huawei ya cuenta con proyectos concretos en ejecuci#243;n. Uno de ellos corresponde a un sistema de almacenamiento aislado de la red para una empresa minera, mientras que otro ...

Argentina has taken a decisive step toward modernizing its power infrastructure, drawing international attention with its first large-scale battery energy storage tender.

The international tender, first announced in February, aimed to secure 500 MW of energy storage capacity for critical points in the Buenos Aires Metropolitan Area (AMBA) grid.

Sin embargo, la propuesta de Huawei va m#225;s all#225; del almacenamiento convencional. La
