Does Huawei have a Smart Warehousing facility?

Chinese multinational Huawei has opened a smart warehousing facility focused on green energy, e-security, and modern logistics. Huawei South Africa CEO Will Meng. (Source: Huawei)

Does Huawei have a central hub in South Africa?

Huawei South Africa CEO Will Meng said the facility serves Huawei's central hub in South Africa, providing a continuous supply of energy to support the company's customers and partners. "Huawei boasts a robust global supply chain, with approximately 1,400 warehouses spanning over five million square meters," he explained.

How does Huawei South Africa's warehouse work?

"The warehouse facility is split into two sections, one section is dedicated to in and outbound tech movement, while the other section handles localized supplies and spare parts," Stevin du Plessis, logistics manager for Huawei South Africa's supply chain business department, explained during a tour of the facility in Johannesburg.
