Pictured above is an 800W free-standing solar power system for an oilfield services client. In addition to custom design, we offer a range of standard free-standing kits from 100-1100W.

Abstract - This paper presents a case study for a recent Company approved offshore oil and gas development project aims to install 19 platforms with off-grid photovoltaic (PV) and battery ...

This containerized solution delivers a reliable, cost-effective, plug & play, factory integrated power conversion system platform for utility scale solar and battery energy storage applications.

MEOX hybrid Off Grid Container Power Systems, built on the core framework of hybrid solar container systems for remote areas, combine DC coupling, ...

Our most recent offshore modular solar power system for a client's wellhead platform in South N"Dola is designed to effectively reduce emissions and operational costs while enhancing ...

After the unmanned platform becomes fully operational, it will harness renewable energy via solar panels to export about 800 million ...

MEOX hybrid Off Grid Container Power Systems, built on the core framework of hybrid solar container systems for remote areas, combine DC coupling, VSG grid-forming, and intelligent ...

HELIOS is ROXBOX's solar division, specializing in portable, containerized, solar-powered energy and cold storage solutions. Our proven HELIOS ...

An innovative marine offshore platform has recently undergone a significant transformation, integrating solar

technology to dramatically cut carbon dioxide emissions by up ...

As another level of assurance, the standby diesel generator will automatically start when the battery charge level is low and will simultaneously power the platform and charge the batteries.

The Smart Green DC Container offers a sustainable and efficient energy solution for various applications. With advanced features like solar panels and lithium battery storage, it provides ...

HELIOS is ROXBOX"s solar division, specializing in portable, containerized, solar-powered energy and cold storage solutions. Our proven HELIOS Solarator(TM) products are mobile, ...
