Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

The country's previous president, Andr s Manuel L pez Obrador, called the \$20bn Olmeca Refinery a "dream come true" that would help Mexico attain energy self-sufficiency.

The country's previous president, Andr s Manuel L pez Obrador, called the \$20bn Olmeca Refinery a "dream come true" that ...

Thanks to the country's geographical conditions, Mexico has great potential for solar and wind energy, which makes it an ideal candidate for the implementation of energy ...

In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

"The company wants to dispose off the equipment." Is this sentence correct. I am confused whether it is dispose of or dispose off as I see a lot of sentences that use dispose off. ...

Mexico can unlock the full potential of energy storage solutions by fostering greater integration of renewable energy, supporting grid stability, and improving regulations related to battery storage.

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...

The Energy Storage Regulation, published in the Official Gazette of the Federation (DOF) on March 7, 2025,

introduces a long-awaited regulatory framework for energy storage ...

Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"? Thanks in ...

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not). This is about ...
