---

Alterenergy Holdings Corp. (ALTER) and its subsidiary Solar Pacific Energy Corporation launched the first solar PV-battery energy storage system (BESS) project in Palau.

With rising electricity costs and climate vulnerabilities, this Pacific nation is turning to decentralized solutions like solar-battery systems to create a resilient grid.

Alterenergy Holdings Corp. (ALTER) and its subsidiary Solar Pacific Energy Corporation launched the first solar PV-battery energy storage system ...

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

KOROR, Palau (July 10, 2025) -- Australia has pledged \$16.4 million to support the next phase of Palau's transition to renewable energy, with ...

KOROR, Palau (July 10, 2025) -- Australia has pledged \$16.4 million to support the next phase of Palau's transition to renewable energy, with funds designated to secure a battery energy ...

Solar electricity will be produced by a hybrid 15.3 MWdc (13.2 MWac) solar photovoltaic (PV) plus 10.2 MWac/12.9 MWh battery energy storage ...

Solar electricity will be produced by a hybrid 15.3 MWdc (13.2 MWac) solar photovoltaic (PV) plus 10.2 MWac/12.9 MWh battery energy storage system facility. Extensive safeguards to protect ...

poses serious challenges on modern power systems. Battery Energy Storage Systems (BESS) are seen as a promising technology to tackle the arising technical bottlenecks

"This largest solar + BESS project in the Western Pacific illustrates how we leverage our expertise and experience in handling utility-scale solar and BESS projects to provide best ...

The Palau solar and battery storage project not only bolsters the country's energy independence but also highlights the potential for renewable energy to power nations across the Pacific.

Our's Containerized Battery Energy Storage Systems (BESS) offer a streamlined, modular approach to energy storage. Packaged in ISO-certified containers, our Containerized BESS ...
