In your context, the best relates to {something}, whereas best relates to a course of action. Plastic, wood, or metal container? What was the best choice for this purpose? Plastic, ...

The Tashkent Solar Energy Storage Project is a landmark renewable energy initiative in Uzbekistan, aiming to enhance the country's clean energy ...

"Which one is the best" is obviously a question format, so it makes sense that "which one the best is" should be the correct form. This is very good instinct, and you could ...

I mean here "You are the best at tennis" and "you are best at tennis"; "choose the book you like the best" or "best book"; both of them can have different meanings but "most" and ...

TASHKENT, UZBEKISTAN (21 May 2024) -- The Asian Development Bank (ADB) and Abu Dhabi Future Energy Company PJSC (Masdar) signed a \$46.5 million loan to build the Nur Bukhara ...

Either is fine, but (American here) I think "Something that best suits your needs" would be the most common way of saying it.

As Tashkent positions itself as Central Asia's smart energy hub, the choice becomes clear: embrace advanced storage solutions or risk being left in the (literal) dark.

Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use it as an adjective to show that something ...
