How do I contact switchgear power systems?

Call us on 920-582-7277 or send us a message with questions or a potential project. Switchgear Power Systems manufactures custom switchgear and electrical power distribution equipment. Explore our range of switchgear products.

What type of switchgear is available?

Our metal-enclosed switchgear is available from 5kV-38kV, with flexible build/component options, the ability to add on to existing switchgear. Ideal when underground distribution systems must be sectionalized with protected taps. SPS fuse gear available through 35kV in single and three phase configurations, for loop feed and radial circuits.

Can you build a custom switchgear?

We have the ability to conceive, design, engineer and construct entirely custom switchgear products that can be manufactured in multiple quantities or on a one-off basis. Our metal-clad switchgear is available from 5kV-38kV in outdoor non walk-in, indoor, and PDC enclosures.

We have the ability to conceive, design, engineer and construct entirely custom switchgear products that can be manufactured in multiple quantities or on a one-off basis.

Al-Zaghir Sons Group (ZASCO) has led the way in the Yemeni electrical and mechanical business that has evolved over fifty years.

We provide the best quality products of the most powerful universal brands through our regional offices and showrooms located at more than five main regions in Yemen.
